### Management Discussion and Analysis

#### (i) Industry Structure and Development

Non Banking Finance Companies (NBFC) sector in India is represented by a mix of a few large companies with nationwide presence and a few small and medium sized companies with regional focus, primarily engaged in hire purchase financing, investments, corporate loans, IPO funding, venture capital and other non-fund based activities. The Reserve Bank of India (RBI) regulates and supervises these NBFCs.

The Company has surrendered its Certificate of registration and RBI also through its correspondence dated May 6, 2016 has cancelled Company's Certificate of Registration No- A-14.01690.

#### (ii) Opportunities and Threats

The NBFCs are facing stiff competition from Banks and Financial Institutions, due to the ability of Banks & FII's to raise low cost funds which enables them to provide funds at more favourable rates. More stringent capital adequacy norms have been stipulated by RBI for NBFCs also resulted into their inability to give cheaper finance.

#### (iii) Segment-wise or Product-wise Performance

The Company has been primarily engaged in the business of hire purchase, leasing, bill discounting and non-fund based activities. The Company is presently engaged in recovery of delinquent loan assets and settlement of old legal cases filed by/ against the Company. Your directors are exploring the possibilities of venturing into new business areas.

#### (v) Risks and Concerns

High interest regime in the economy may act as a dampener for the financing business. There is also stiff competition due to entry of large players in the market.

#### (vi) Internal Control Systems and their adequacy

### Company's Philosophy on Corporate Governance

Corporate Governance may be defined as a set of systems, processes and principles, which ensure that a Company is governed in the best interest of all stakeholders. It is the system that directs and controls respective companies. It is about promoting corporate fairness, transparency and accountability. In other words, 'Good Corporate Governance' is simply 'good business'.

In India, the question of Corporate Governance has emerged mainly in the wake of economic liberalisation and deregularisation of industry and business. The objective of any Corporate Governance system is to simultaneously improve corporate performance and accountability. These, in turn, help to attract financial and human resources on the best possible terms and prevent corporate failure.

Corporate Governance consists of procedures and processes, according to which an organisation is directed and controlled. Its structure specifies the distribution of rights and responsibilities among different pan-organisational participants, such as the Board, managers, shareholders and other stakeholders. The system helps to lay down the rules and procedures for decision making.

The objective of Good Corporate Governance is to ensure the Board's commitment towards transparent management to maximise long-term value for the Company's shareholders and other partners. It integrates all the participants involved in a process, which is economic and at the same time, social.

A well-defined and enforced Corporate Governance benefits everyone concerned by ensuring that the enterprise adheres to accepted ethical standards and best practices, as well as to applicable laws.

Corporate Governance goes beyond the practices enshrined in the laws and is imbibed in the basic business ethics and values that needs to be adhered to in letter and spirit. However a transparent, ethical and responsible Corporate Governance framework essentially emanates from the intrinsic will and passion for good governance ingrained in the organisation.

Good Corporate Governance practices are also essential for a sustainable business model for generating long term value for all its stakeholders.

At Escorts Finance Limited, Corporate Governance practices aim to adhere to the highest governance standards through continuous evaluation and benchmarking.

In conjunction with our audit of the consolidated financial statements of the Company as of and for the year ended March 31, 2016, we have audited the internal financial controls over financial reporting of **ESCORTS FINANCE LIMITED** (hereinafter referred to as "the Holding Company"), and its associate company, which are companies incorporated in India, as of that date.

#### **Management's Responsibility for Internal Financial Controls**

The respective Boards of Directors of the Holding Company and its associate company, which are companies incorporated in India, are responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting ("the Guidance Note") issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the respective company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

#### **Auditor's Responsibility**

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note issued by the Institute of Chartered Accountants of

India and the Standards on Auditing, prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls.

Because of the matter described in the Disclaimer of Opinion paragraph below, we were unable to obtain sufficient appropriate audit evidences to provide a basis for an audit opinion on internal financial controls system over financial reporting of the Holding company.

In relation to an associate company, although the audit evidence obtained by the other auditors in terms of their reports referred to in the Other Matters paragraph below, is sufficient and appropriate to provide a basis of opinion on associate company. The Disclaimer of Opinion for consolidated Report on the Internal Financial Controls over Financial Reporting has been arrived based on the Disclaimer of Opinion in Holding Company.

#### **Meaning of Internal Financial Controls Over Financial Reporting**

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

#### **Disclaimer of Opinion**

**1. PRINCIPLES OF CONSOLIDATION:**

- a) The financial statements of the associate used in the consolidation are drawn up to the same reporting date as of the Company, i.e. for the year ended 31st March, 2016.
- b) The consolidated financial statements have been prepared on the following basis:
  - i. An associate is an enterprise in which the Company has significant influence and which is neither a subsidiary nor a joint venture of the investor. The consolidated financial statements include the share of profit / loss of the associate company which has been accounted as per the 'equity method' as per AS 23 Accounting for Investments in Associates in consolidated financial statements, and accordingly, the share of profit / loss of the associate company (the loss being restricted to the cost of investment) has been added to / deducted from the cost of investments. The difference between the cost of investment in the associate and the share of net assets at the time of acquisition of shares in the associate is recognized in the consolidated financial statements as Goodwill or Capital reserve as the case may be, which is included in the carrying amount of investments.
  - ii. The consolidated financial statements are presented, to the extent applicable, in accordance with the requirements of Schedule III of the 2013 Act as applicable to the Company's separate financial statements. Differences if any, in accounting policies have been disclosed separately.

Particular of associate which is included in the preparation of consolidated financial statements is as follows:

<b>Name of Company</b>	<b>Country of Incorporation</b>	<b>Percentage of Voting power as at March 31, 2016</b>
<b>Associates</b>		
Escorts Asset Management Limited	India	48.993%

**2. SIGNIFICANT ACCOUNTING POLICIES:**

**(a) Basis of Preparation**

These financial statements have been prepared to comply with the Generally Accepted Accounting Principles in India (Indian GAAP) including the Accounting Standards notified under the relevant provisions of the Companies Act, 2013.

**(b) Method of Accounting**

Accounts are maintained on an accrual basis and at historical cost.

**(c) Use of Estimates**

The preparation of financial statements in conformity with Indian Generally Accepted Accounting Principles (GAAP) requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosures relating to contingent liabilities as at the date of financial statements and reported amounts of revenues and expenses during the reporting period. Actual results could differ from these estimates. Differences between the actual result and estimates are recognized in periods in which the results are known/materialised.

**(d) Fixed Assets**

Fixed Assets are stated at cost less accumulated depreciation.

**(e) Inventories**

Repossessed assets are valued at the year-end at lower of book value or net realizable value as certified by the management of the Company.

**(f) Depreciation**

Depreciation on fixed assets is provided on straight line method based on the estimated useful life as determined by internal assessment of the assets in terms of Schedule II to the Companies Act, 2013. The useful life of the assets has been reassessed based on the number of years for which the assets have

already been put to use and the estimated minimum balance period for which the assets can be used in the Company.

In respect of fixed assets having a balance useful life as on April 1, 2014, the written down value of such assets as on April 1, 2014 is charged off as depreciation, on the straight line method, over such balance useful life after retaining the residual value.

All fixed assets individually costing less than Rs. 5,000/- are fully depreciated in the year of purchase.

**(g) Investments**

Investments are classified as non-current investments if these are intended to be held for more than one year. Other investments are classified as current investments.

Non-current investments are stated at cost. Provision for diminution in the value of investment, if any, is made if the decline in value is of permanent nature.

Investment in associate company is accounted as per the 'Equity method', and accordingly, the share of post acquisition reserves of the associate company has been added to / deducted from the cost of investment.

Current Investments, other than unquoted, are valued at lower of cost or market value. Unquoted current investments are valued at cost or at break up values determined from the last available Balance Sheets of the investee companies or at one rupee only, where the balance sheet is not available for previous two years.

**(h) Revenue Recognition**

- 1) Income is recognized on accrual basis except income related to non-performing assets, which is accounted on cash basis in accordance with prudential norms of Reserve Bank of India.
- 2) The Company has adopted Implicit Rate of Return (IRR) method of accounting in respect of finance charges income for hire purchase/loan transactions. As per this method, the IRR involved in each hire purchase/loan transaction is recognized and finance charges calculated by applying the same on outstanding principal financed thereby establishing equitable distribution of income over the period of the agreement.
- 3) Interest on overdue installments is accounted for on receipt basis.

**(i) Employees Benefits**

- 1) Defined Contribution Plan

Employees benefits in the form of Provident Fund are considered as defined contribution plan and the contributions are charged to the Consolidated Statement of Profit and Loss for the year when the contributions to the respective funds are due.

Dear Shareholder,

**Re: Green Initiative in Corporate Governance: Go Paperless**

The Ministry of Corporate Affairs (“Ministry”) by issuing their circular 17/2011 dated April 21, 2011 & 18/2011 dated April 29, 2011 took a “Green Initiative in Corporate Governance” by allowing paperless compliances by companies using electronic mode.

The companies are now allowed to send Notices/ Documents including Notice calling Annual General Meeting, Audited Financial Statements, Directors’ Report, Auditors’ Report etc., to their shareholders using electronic mode to the registered email addresses of the shareholders.

We at **Escorts Finance Limited** also welcome this green initiative as it will reduce paper consumption to a great extent and allow public at large to contribute towards a greener environment.

This is a great opportunity for all the shareholders of **Escorts Finance Limited** to support this move fully. Besides conserving environment this would enable you to receive the communication promptly, avoid any loss of document in transit and also saving cost of paper and postage.

All you have to do is to register your email Id by returning the **appended letter** stating your email Id or send us an email stating **your Folio No. or DP Id & Client Id** to receive communication as stated above through electronic mode, henceforth.

**Please quote your Folio No. or DP Id & Client Id in all communication with us.**

Let’s be part of this “Green Initiative”
